

Become a Certified Health & Wellness Coach

Founder:

Cathleen Beerkens

Starting September 18th, 2019 Online

Join our 6 months online course to become a Certified Health & Wellness Coach.

Life is a self-healing journey. Learn to teach others what wellness really means when you look at yourself holistically. Come and explore a new way of thinking about body, mind, and emotions. Explore the new science of Glycobiology and learn how this science shows the way our cells should function and how our food today misses essential nutritional value. It is the missing link in nutrition and may be the cause of many imbalances. This course is designed both for anyone who would like to invest in a more healthy and wholesome life, and for health practitioners...

If you feel the need to alter your life's course and that of others, this is the moment!

Time Commitment:
